Transfers of value can be salary, fees or other compensation for work performed, as well as compensation for overheads in connection with the execution of the assignment (e.g. travel, board, accomodation). Donations and sponsorships to the health care system (HCO) are also reported transfers of value.

Health care professional (HCP) refers to a doctor, dentist, pharmacist, nurse or other health care professional who has the right to prescribe, administer, provide, recommend or distribute medicines, including medicines of pharmaceutical composition, whose main competence is health and healthcare. Other employees of pharmaceutical...
